

An Investment We Can Believe In

Executive Director Commentary

We hear a lot of talk about investments these days; especially when it comes to retirement plans that seem to be like yo-yo's; dropping, rising and perhaps dropping again.

With so much upheaval in the financial markets, investment firms are rolling out new ad campaigns designed to create trust from potential clients. This makes perfect sense. When times are tough, trust is essential.

Beyond the ad campaigns however, all of us want to know that those things we invest in are trustworthy—that our investment will provide a positive return.

What about a ministry like Pregnancy Care Center? Is ours a good investment of your time and resources? Do we deliver on what we promise?

These are important questions. A ministry doesn't deserve support just because it exists; it should earn that support through a proven track record of making a difference in the lives of those it serves.

To answer these questions we could share a plethora of statistics, but perhaps it is more important to lay out two simple truths under which we operate:

*We believe in stewardship: Every dollar raised, and every volunteer hour given here is used as wisely as possible. We want to see lives changed through the power of God, and lives saved in the process. That's where we invest our time, and our resources.

*We believe in effective ministry. While God is ultimately responsible for creating results in the lives of our clients, we understand it is *our* responsibility to consistently review all of our initiatives to find ways to be more effective in carrying out our objectives. It's not enough to try; it is imperative that we try with excellence.

Ultimately, our desire is to be a ministry that is changing the culture around us; turning hearts toward life and leading many toward a true relationship with God through Jesus Christ.

If you are looking for a ministry that is not only saving lives today, but is also providing eternal value in the lives of those we see, this is the place. We're looking for those who will invest their time—and their resources. If this is you, drop me an email at pregnancycare@bellsouth.net. Let's talk about a great investment.

Pregnancy Care Center

A BIG THANK YOU
to the Tiftarea Board of Realtors
for donating to us through the
2nd Annual Sporting Clay Tournament!

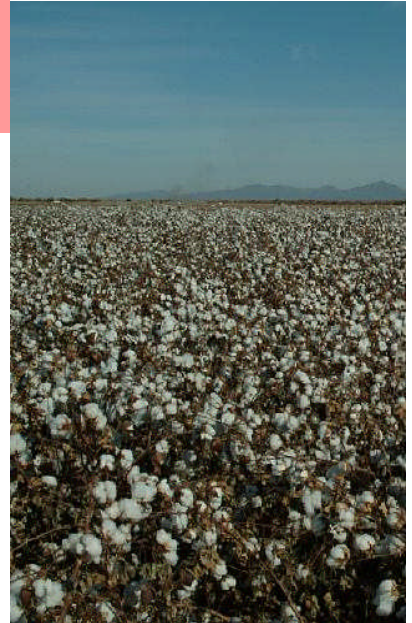

A Mission Field? Right Here. Right Now.

Each day they come to Pregnancy Care Center. They are hurting, and they are scared. And they desperately need the hope offered through the person of Jesus Christ.

We offer that hope, making this ministry not only the front-line in defense of human life, but also a leader in changing

our culture with the power of the gospel message.

You can join our team—on the cutting edge of one of the world's leading mission endeavors—with a phone call or an email. Let us know you are interested. We'll find a place for you on the mission field.

Is now the time to give us a big kickoff?

Fall is here, the time for raking the yard and for the sports fan, football on virtually every day (and night) of the week.

For friends of Pregnancy Care Center perhaps it is also time to give us a good kickoff to the final quarter of the year.

Your gift—of any size that works for your budget—can give us that extra push to get us across the goal line in 2009.

Simply drop a gift in the mail to us using the envelope provided. Or, if you are interested in a special gift of stock, property or giving via another avenue, give us a call at 382.4491. We can bring this year to a fantastic finish. You can make it happen by supporting our team and we look forward to hearing from you.

A Missions Endeavor, Right Here

For those who believe in sharing the hope of Jesus Christ, the perfect mission field may be just minutes from your home. At the Pregnancy Care Center, the mission field comes to us each day with emotional hurts and a need for hope. We have that hope, in the person of Jesus Christ.

Whether your strengths are administrative or evangelistic—or if you have the tremendous gift of listening—we have a place for you.

Give us a call at 382-4491, and we will place you in your perfect mission field right here; touching lives with the hope of Jesus Christ.

Where Is Your Next Investment Headed?

We're all looking for wise investments, and when it comes to finances, perhaps one of the best is here at Pregnancy Care Center.

Consider this: Here, an investment results in lives saved, hearts given an opportunity for a relationship with Christ . . . and every day, an effort is underway to turn our culture toward life.

Oh, and you receive a tax deduction too.

We invest in our retirement, we invest in education and we invest in many other worthy endeavors. Why not add "Creating a culture of life" to our list of sound investments? Your gift—of any amount—makes it happen.

Pregnancy Care Center Update

Here at the Center, we are still progressing through the Focus on the Family Option Ultrasound Program (OUP). When we complete this, Focus on the Family will provide us with 80% of the money needed to purchase an ultrasound machine.

Sonography training has begun for the center, and a Focus on the Family visit has been tentatively scheduled.

Things are moving along nicely for our becoming a medical clinic in the near future.
