## A Letter From The Advancement Director

by Jason Jones

Dear Life Friends,

The summer heat is upon us yet again. It makes us all want to hit the beach, or the pool, or just go inside. The last of these three make seem the least personally appealing to us, but here at the Pregnancy Care Center, we are seeing God do awesome things indoors! You may have heard the buzz about our new ultrasound machine or seen the pictures. It is the outworking of much prayer and your support of our center. It is being used to minister to the women who continue to come through our doors in need of guidance and Jesus. We trust that it will have an even greater impact than the previous one, and it will be a tool in the hands of our Lord to rescue women and children from abortion.

We have also seen God provide staff for us. With the painful loss of Denise to another ministry calling, we had a great void, but God had mercy upon us, and sent us someone with the skills and scheduling flexibility to minister alongside of us. Welcome Jennifer! Also we have the upcoming maternity leave of our primary nurse and sonographer, so we again looked to God for aid. He has graciously provided help from another nurse, as well as one of our local ob/gyn offices really stepping up and promising to help fill in the gaps for us! God is so faithful!

Our banquet this spring went really well, and I know that we had some first time attendees there this year. They had some great exposure to our ministry. However, we cannot rely on the banquet alone to be the entrance point for our ministry for supporters. We always want to be a means by which people can serve God. We want to continue to broaden the knowledge that we are here, and what we do, so that the kingdom of God can be furthered through what we do. We have over 1000 followers on Facebook, 1056 to be exact, and many of you on the mailing list are not among that number. So I am calling on you to help with the advancement of our ministry.

*Want to share the work of the PCC?*

*Host a Vision Tour!*

*Catch the vision*

*& join us on the journey by calling*

*229-382-4491 to schedule your*

*Vision Tour today!*

We have an entry point that gives fresh exposure to new people; it is called a Vision Tour. It is a one-hour tour of our facility, refreshments, and a presentation about our ministry. It is a chance for new people to meet

the staff and learn about what we do. It is usually "hosted" by an individual with connections to others.

We need you to host a Vision Tour. All you have to do is find about 5-15 of your friends, church members, Sunday school class members, youth groups, neighbors, co-workers, etc. and invite them to come.

All you have to do is bring them, and we take care of the rest. We can arrange it on a night of the week, or a Saturday morning that is convenient for you and them. If we do one of these every two or three weeks, we could possibly touch 200 new people each year. If someone brought you to a Vision Tour, now bring someone else. If you have never been, you will really enjoy it, so grab ten friends and expand our ministry at the PCC.

Maybe you have a venue that we could come and share about the PCC to a group—a civic group, a professional group, a church, an association of some sort, we would love to come and share about the ministry of the PCC. Even at your home, we would be willing to come with a short presentation. Give people the same opportunity to save women and unborn children from the death and scarring of abortion. Thanks for being our faithful supporter!

Jason Jones, Advancement Manager

*Thank you*

*for your faithful support of the Pregnancy Care Center and Women's First Choice Medical Center.*

**facebook®**

Go to Facebook, search for "Pregnancy Care Center of Tiffared" and be sure to "Like" our page! Then invite your friends to "Like" us as well. When you invite your friends to "Like" our page, be sure they know to "Like" the PCC's Facebook page and not just the announcement on your timeline. Thanks for your support and for helping us share our message through social media!

## A BIG Thank You...

To EVERYONE who helped make the purchase of our new 3D/4D ultrasound machine a reality! We are so excited to see how the Lord will use it to open the hearts and minds of pregnant mothers throughout the Tiftarea.

Have you ever thought

*"I might want to be a part of the PCC"*

but weren't sure you had the time, the abilities, or the right gifts?

*Consider this...*

Instead of wondering whether you could or should, why not give us a call at 229-382-4491 and mention that you want to know more.

*No obligations, no contracts. Just a call.*

## From The Director

*by Darlene Barber*

Summer is here; a time for summer vacations, staying outside into the late evening, getting away for the weekend more often and for many of us, a time to slow down (at least a little bit!).

In a sense, summer is a time when we try - at least in some measure - to do some forgetting. We try, in bits and pieces, to forget the daily routine. That's why we might sit outside in the evening, or find a way to get a few miles away on the weekend. Summer is, in a sense, a "break in the action" where we shake things up a bit.

With more sunshine and warm weather, forgetting is hardly a bad thing. It is a way to recharge and re-invigorate ourselves. There is plenty that stays on our mind. A little forgetting can be good for the soul.

Yet summer is also a time to remember what is important to us. Hopefully, summer is a time when we remember the importance of our family, our friends, and our close relationships. With the same 24-hour days seemingly "longer," we somehow have more time for those things that matter most.

At the Pregnancy Care Center and Women's First Choice, summer is a time of planning, of growth and also a time when our patients are in great need. They never forget we are here, even in the summer time.

So, we pray that as your summer continues, you remember us as well. Giving can sometimes drop during the summer months, which is understandable. With so many activities going on, a regular gift to us might get forgotten.

As summer rolls on then, will you do us a favor and remember us with a special gift? You can go online to [www.friendsofpregnancy.com](http://www.friendsofpregnancy.com) and in just a minute or two, make a one-time gift to keep us strong during the summer months.

If you choose to remember us with an investment in this ministry of any amount, we will stay strong. In advance, thank you for remembering. Because every day a life is saved is a day to remember.

## Our New Patient Resources Manager: An Introduction

*by Jennifer Woodall*

I once heard someone say "We may feel helpless but we are never hopeless." In life we experience trials, many that are unexpected. As

Christians, it is our responsibility to help those in need. I can remember a time in my life where I too was in an unexpected situation that I could not see a way out of until I had people come along side to help and guide me. In Proverbs 3:6, it states "in all your ways acknowledge him and he shall direct your path." Over the past few years, God has taken my past experiences to help better equip me to serve people. He takes our fears and turns them into confidence, once I began to pursue His calling on my life, my prayer was answered and an opportunity presented itself.

A couple of years ago I was working towards my Bachelor's degree in Psychology when I began an internship at the Pregnancy Care Center. I immediately fell in love with the mission to reach women in crisis situations. I felt so much empathy and I knew God was challenging me to step up to the plate to help bring women through a situation I could relate to. I am so excited to finally have a job where I can bring hope to those who feel helpless by speaking truth in love and sharing the Gospel of Jesus Christ. I am so passionate about the vision to erase the need for abortion and I am honored to be part of such an amazing ministry.

*For I am the Lord, your God, who takes hold of your right hand and says to you, do not fear, I will help you." Isaiah 41:13*

## Brown Bag It To Save A Life

What does it save to skip that lunch out during a busy business day? A few dollars perhaps? Maybe even five, ten or fifteen dollars? Now multiply those savings over the course of a week, a month, or even a year. What if all of us who eat out at lunch decided that - every once in awhile - we would "Brown Bag It" for the Pregnancy Care Center? The result could easily equal lives saved.

When times are tight, we're all looking for ways to cut back while somehow continuing support for those efforts we believe in. Perhaps for many of us, a brown bag and an apple - here and there - could make the difference in touching hearts and saving lives.

## Choose Life Car Tags

Choose Life of Georgia, Inc. is a non-profit organization that receives revenue from the sale and renewal of Choose Life specialty plates (\$10 per plate). They distribute a portion of these funds to agencies that counsel for adoption and not for abortion. The Pregnancy Care Center is one of these agencies. When someone buys a "Choose Life" tag for their car in Tift county and the surrounding counties, the PCC benefits.
