

We exist to erase the need for abortion through effectively serving pregnancy, at-risk women by transforming their fear into confidence.

*Life is Precious!*

*Your eyes have seen my unformed substance; and in Your book were all written the days that were ordained for me, when as yet there was not one of them - Psalm 139:16 (NASB)*

Dear Friends for Life,

Each year the Pregnancy Care Center comes alongside the story of women and their unborn babies. We join in their journeys in the midst of a crisis or at a crossroads. The moment a woman crosses our threshold, she becomes a part of our legacy and we become a part of hers. We are blessed with the opportunity to become a voice of truth and a reflection of love at a page-turning moment in the heart of a mother and in the life of a child.

You have been a part of this story, being key characters in the legacy of life written this year. We could not do what we do without you, as you provide resources to offer counseling, ultrasounds, education, and more. You also provide the crucial prayers that shelter the staff and volunteers with heavenly protection and prepare the hearts of the patients to hear the Gospel of Jesus and chose life for their babies.

Your help is critical as we strive to remain available for young women thinking abortion is their only option. Our vision is to reach every woman in a crisis with a simple message: Women's First Choice Medical is their first choice for getting answers about their unplanned pregnancy.

This year we have seen 35 women chose life, two of them in the month of November! And this happens, because of you. Each member of the Pregnancy Care Center Team, from staff to volunteers, from prayer warriors to financial partners, is an integral part of the services we bring to women and families facing an unplanned pregnancy.

As we begin to look toward 2012, perhaps you will consider a year-end gift. Or perhaps you will consider becoming a monthly partner. Every gift, regardless of amount, makes a difference in reaching more abortion-minded women and every single gift to this ministry is appreciated, more than you may imagine.

We thank you for your support as we prepare for being a part of more women and their babies' stories this next year.

In His Service for Life,

Darlene Barber  
Executive Director

## Friends for Life Partnership

The Pregnancy Care Center relies on God moving in supporters' hearts to provide for both patients' needs and daily needs of the ministry. God has made available a tool to assist the PCC in securing **reliable monthly funding**, the greatest ongoing need of any ministry. The **Friends for Life** Program is an **electronic monthly stewardship program** that will reduce fundraising costs while conserving administrative effort plus providing reliable monthly support. Partnering with the Pregnancy Care Center as a Friend for Life is a unique opportunity to play an enhanced role in advancing God's kingdom one life at a time. See the enclosed card to become a sustaining partner with us. **It is the consistent electronic partner...even \$10 a month that builds the financial foundation we need to take on erasing the need for abortion in our community and beyond.**

## Frequently Asked Questions

**What is Friends for Life?** *Friends for Life* is a financial stewardship program that allows supporters to be ongoing partners in ministry with the Pregnancy Care Center. By providing consistent financial support, the PCC is able to focus on the important details of ministry instead of being distracted by financial concerns.

**Will I receive a receipt each month?** Yes, by email. You will also receive a initial letter acknowledging your gift and a year-end giving statement in January.

**If my financial situation were to change, could I change my monthly transfer?** Absolutely. You are in complete control of your gift, and you can alter the amount at any time simply by contacting the PCC. The amount can be reduced or suspended at any time.

**Why does the PCC need a voided check or deposit slip?** The Executive Director uses your voided document to set up your *Friends for Life* account. Having your routing number and account number printed on your check or deposit slip prevents unnecessary errors. However, you can go online and process it yourself at [www.friendsofpregnancy.com](http://www.friendsofpregnancy.com).

**Is my account information secure?** Yes. The PCC is well aware of identity theft concerns. Your personal information is securely maintained in locked files. The automatic transfer company, CheckFree, has established itself as the premier electronic processor since 1981 and provides secure services to clients like Wells Fargo, USPO, Yahoo, and Bank of America.

**Which is better—checking, savings, or credit card?** This choice is yours - they all provide financial stability for the PCC and free the ministry up to complete God's mission without the distraction of additional fundraisers to cover monthly bills. Credit card companies will deduct 3% of each credit card gift, so you may prefer to utilize checking or savings options to maximize your gift's benefit to the ministry.
