A Letter From The Director

Dear Life Friends,

In the 11th Chapter of the Book of Hebrews, the word "faith" is mentioned an astounding 23 times. By faith, the writer declares, courageous choices are made, great accomplishments happen and by faith, fear is replaced by resolve.

While we at the Pregnancy Care Center do not pretend to compare ourselves with the giants of the Bible mentioned in Hebrews, we do - in so many ways - step forward in faith every day. It is by faith that we open the doors here each day, believing God will work in the hearts of those we see. We perform various services, yet we understand it is God who ultimately changes hearts.

It is by faith that we make decisions regarding how we reach out to clients and patients, and how we best serve them. And, it is by faith that many of you invest in this work. While there are measurable outcomes we report to you on a regular basis, many outcomes - such as those regarding faith - are often difficult to discern. Believing God is working in hearts and that while we may not always see the fruits of our spiritual labors (we're so thankful when we do), we believe - by faith - that He is using the seeds we've planted to grow in the lives of those who come in our door.

It is also by faith that I am coming to the end of my role as Executive Director. This ministry will continue under the direction of our Board, our new Executive Director, Jennifer Woodall, our competent staff, and the faithful guidance of God, our Father. My time serving here has been a blessing and I will continue to be a part of the pro-life cause in a consulting role. I am honored to be a part of this amazing ministry.

We want every young woman in our community to know who we are and where we are. And once they get here, we want to offer them the best so they will be empowered and encouraged to choose life. We want to see lives changed by the power of the good news and see our culture believe once again in the sanctity of life.

We hope that you, today, will consider being a part of this ministry, too. We want you to consider joining us in faith, by saying, "I believe God is working in this ministry and I want to be a part, too." Your step of faith is so appreciated. Whether you give a financial gift, volunteer, or commit to regularly pray for us, so much gets accomplished with your help. Every single investment in this mission makes us stronger.

Faithfully serving with you,
Darlene Barber

Two New Employees: An Introduction

I am so blessed to have joined the ministry at Women's First Choice Medical Center. Coming from a womb that was barren, being born prematurely and being told by doctors that it would be a miracle if I lived past 12 hours- the emphasis on celebrating LIFE has been great! Every day at Women's First Choice Medical we have the opportunity to celebrate each life brought before us. I have given many years of my life to prayer for the ending of abortion and for the women at risk. To now have the opportunity to put a face with those I have lifted to heaven is beyond words.

One thing that holds me steady through life's trials and test is His unconditional love. No matter where we run or try to hide His love is steadfast. While praying about serving here I felt the Lord over and over confirm to me that my personal aim in life and in this ministry, is to love His people unconditionally. His unconditional love is what these women need to find during this time of their life.

I love the last five words of our mission statement which says "transforming their fear into confidence." We find in scripture that God's perfect love cast out fear. I am here to listen, support and to show unconditional love to each patient that I see. I fully believe that abortion will end in my generation, with loving each miracle in front of me at a time. Looking forward to serving this ministry with you!

Amanda Dees,
Patient Resource Manager

Kingdom Work: Volunteering at the PCC

If you are looking for a way to touch lives with the love of Christ—to impact the Kingdom by sharing your smile and your time,—then we are looking for you. Volunteers are an essential part of our ministry and we need more.

So whether you are looking to invest a large amount of time, or perhaps just a few hours in 2017—we have a place where you can fulfill your desire to reach hearts. For more information, give us a call at 229-382-4491. We look forward to hearing from you!

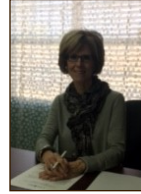

Year-End Campaign Wrap-Up

Thank you for contributing to our 2016 Year-end Campaign. We raised \$25,110 and we could not have done so without your faithfulness to this ministry. It is a blessing for us to know that so many of you value the work Christ is doing through us and the ministry of Women's First Choice Medical Center and the Pregnancy Care Center. We are humbled by the impact the Lord has made in the lives of so many throughout the Tiftarea and we praise God for you.

YOU can change her story.

Many times the gifts God has blessed us with lead us to the work that He would have us do. I have had a passion for the Pregnancy Care Center for many years, as a volunteer, as a board member and now as a part time employee. What started as a desire to help these women in crisis turned into a ministry to not only love and support them but to be a witness of God's love. I am thankful for the life experiences that led me to the Pregnancy Care Center and believe with all my heart the words of Ephesians 2:10: For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.

I am so thankful for the opportunity to be a part of the Pregnancy Care Center and to be used by God as a vessel to pour out His love to every person that walks through our doors. My prayer is that each person I come in contact with will come to know the love of God and the worth He gives us through His son, Jesus Christ.

Pam Autry,
Office Assistant

Baby Bottle Boomerang Winding Down

Thanks to all of the churches and organizations across the Tiftarea that have participated in this year's Baby Bottle Boomerang. Your donations help us to expand our outreach, strengthen our effectiveness, and save lives. Thank you for your continued support.

As we wind down, it is time to boomerang those bottles (full or empty) back to the PCC! If you are still looking for empty bottles to fill, please contact us at 229-382-4491!
